## BLOCK B SPECTATOR & COACH INFORMATION

### ADDRESS AND MAP

Southend Leisure & Tennis Centre near Garon Park, Southend-on-Sea, SS2 4FA

### Parking at Southend

There is a large overflow carpark situated opposite the main Car Park. However, once this is full, it will be closed, and further parking can be found at the industrial Park further along the road.

Parking for session 7 will be extremely busy as there is another event also going on at the Centre.

Coaches arriving after 11am on Sunday will be able to park in the Officials Car Park; there will be no priority parking for Coaches at other times. This is situated on the left-hand side before the main car park, and there will be a Car Park attendant there at all times.

### Spectators at Southend

There are no restrictions on spectators at Southend, however, we would request that for session 7, spectators are kept to a minimum as this is an extremely busy session.

Seats will not be numbered at Southend for Sessions 4, 5, 6.

Seats will be numbered for session 7

This is so that we fill up all of the seats in between all of the spectators.

Swimmers and Coaches will be allowed on the poolside from 7.30am.

Signing-in sheets will be located on the poolside.
