Hi everyone, this is my first team selection for the Junior League based on Time Trials and what I have learnt about the swimmers performance. I am sure we can improve the team but until we compete in the first round I feel that this is not far short of the strongest

team. Your support and commitment to this gala would be very much appreciated.

This is the premier Junior League in the country comprising of 8 different areas; we are in the London (commonly known as the M11 diddy league. The league started in 1977 as the M11 diddy league with just 7 teams; to this day there are 500 clubs from all over the country taking part. I can assure you this is my favourite competition and will give an indication of how far we have come but also how much further we need to aim.

**MANY THANKS
JOHN**

PLEASE NOTE: We are hosting this gala and therefore we will need volunteers to help run the event.
