

# IMPORTANT ANNOUNCEMENT

## CLUB CHAMPIONSHIPS 29<sup>TH</sup>/30<sup>TH</sup> SEPT

### VENUE RELOCATION

Due to the present problem with the extraction part of the Air handling unit being broken it has been decided that relocation to Braintree will be a better alternative to maximise swimmer performance.

The present environment is safe, increased use of the water creates a level of irritant which is not dangerous but may cause an irritation to the throat/eyes. This level of irritant increases with the volume of use/quantity of people within the area.

### NEW SIGN IN TIMES

FRIDAY 29<sup>TH</sup> SEPT – 18.40 to 18.55pm
